I think it will just be me and Dave. If I hear from Dave that others should be involved, I'll let you know. Thanks!

April 8 from 9-10 looks good here. Let's plan on that. Do you have a number you'd like us to call you at?

Hi again,

These are some times that would work for us (myself, Catherine Neuschler, Laura Lyle, Scott Kyser and perhaps Gerry):

Thursday, April 4th, 3:00-4:00

Monday, April 8th, 9:00-10:00, 10:00-11:00

Please let me know if any of these work.

Thanks,

Bill

Aaron, I am dealing with a family medical situation so I am forwarding your email on to Bill Cole, my supervisor, who will be in the best position to coordinate a future Class 3 and Class 4 discussion.

Thank you.

Hi Gerald,

Would you (and whoever else needs to be involved in the discussion) have some time next week to have a call to discuss the Class 3 & 4 WQS revisions? We've taken a look at the draft TSD and would like to get some more background on how you've been thinking about the proposal and how it would work once adopted.
